

Insert the attached pages 60-73, which is an English translation of the Annexes to the IPER and a copy of the same filed January 22, 2002, for pages 60-70 of the English translation of the published application WO 01/05742 A1, filed January 22, 2002.

### **REMARKS**

Reconsideration is requested.

The required oath or Declaration was filed February 5, 2002. A copy of the February 5, 2002, filing, as well as the undersigned's postcard receipt relating to the same, are attached. Moreover, a further copy of the executed Declaration is attached. Nothing further is believed to be required in response to the Notification of Missing Requirements dated March 15, 2002 (copy attached).

The Notification of Missing Requirements indicates as follows: "Preliminary Amendments have not been entered because did not enter annex's because they were not a page for page substitution and preliminary amendment was off of annex's." The undersigned assumes from this comment that the English translation of the Annexes to the IPER, which were filed with the application on January 22, 2002, have not been entered. The undersigned believes however that these replacement pages were submitted and entered in the international stage of the application such that the application entered the U.S. with these pages included. The U.S. Patent Office rules however require that an English translation of the originally published application as well as Annexes to the IPER be submitted. The undersigned has complied with these requirements in the filing of January 22, 2002, and included a remark, for clarification,
